**THE SHELTER IS OPEN WEDNESDAYS 3:30 - 5:30
FOR 7-12 GRADE STUDENTS**

FALLOUT SHELTER

Several items have been taken from the Fallout Shelter by students during youth meetings. This is not only stealing from God but it is stealing from your fellow students. I am asking that the items be returned by Jan. 18th "no questions asked". Also, when you take a CD from the CD library you must sign the checkout list. If you fail to do this it will be considered stealing not borrowing. There are also several CD's that have been checked out that have not been returned. It's not borrowing unless you return it.

CD Library Ministry Leader Needed

A ministry leader is needed to be in charge of organizing and keeping track of the CD library. This is an expensive service that the Fallout Shelter provides and deserves to be taken care of. Let me know if you are interested.

Historian Ministry Leader Needed

A ministry team is needed to keep a scrapbook and be in charge of the "photo wall" and photo albums. This is for Jr. and Sr. High youth, one person from each.

Fallout Shelter Expected Behavior and Facility Rules

As a reminder Fallout Shelter ministry behavior guidelines and facility rules are being updated and will be presented soon. Most of these if not all of them have always been in effect but some of the newer students may not have ever heard of them.

Winter Jam – Jan 29th – St. Charles

Permission slips and \$20.00 is due Jan. 22nd. Keep in mind that this is a school night and we will not return until around midnight. Permission slip must be complete.

What is the purpose of the Fallout Shelter ?

To help non-believers of Christ become fully devoted followers of Christ.

Thru building a relationship with God and others serving and being served, worshiping God, and growing in Christlikeness.

Who does this work? God does through you ! Will you allow him to work through you?
